for use in
Finch Tube Feeders

NET WT. 3 LBS. (1.36 KG)

NYJER[®] SEED

See more birds. The key to attracting colorful birds to your backyard habitat is providing the proper food they desire. Nyjer[®] Seed has tested to be one of the most popular single ingredients for feeding finches.

It is important to remember that most seed eating birds have specific preferences. You can draw more finches and other birds by adding other Lyric products such as Lyric Finch, Lyric Fine Tunes or Lyric Supreme[®] to your feeding plan.

Lyric Nyjer[®] Seed will attract and feed these colorful songbirds:

Goldfinches

House Finches

Pine Siskins

Purple Finches

And more!

The Finest Nutrients. See The Difference. All Lyric wild bird food products are carefully selected for nutritional content, cleanliness and quality. Proteins and fats are important to fuel wild birds' high level of daily activity. Whether it's foraging for food in the winter or energy for spring nest building, you can trust Lyric to provide your backyard birds with all-natural, quality foods.

Choosing feeders. Lyric Nyjer[®] Seed is best used in Nyjer[®] or finch tube feeders. These feeders have specially designed smaller access holes to the food. This feature keeps the small Nyjer[®] Seed from spilling out of the feeder. These feeders normally also have small perches. The small perches and holes dissuade larger nuisance birds from visiting these feeders.

You can also use Nyjer[®] sock feeders. Squirrels typically do not eat Nyjer[®] Seed.

Ingredients: "Guizotia abyssinica", common name niger.

Guaranteed Analysis:

Crude Protein (min.):	15.0%
Crude Fat (min.):	25.0%
Crude Fiber (max.):	25.0%
Moisture (max.):	12.0%

Packaged to keep it fresh!

STAYFRESH TECHNOLOGY INSIDE

This bag contains an oxygen scavenger packet to help keep the food fresh. Please discard the packet, its contents are not edible.

- **CAUTION TO INDIVIDUALS WITH NUT ALLERGIES: WHILE THIS PRODUCT MAY NOT CONTAIN PEANUTS OR TREE NUTS, IT IS MANUFACTURED AND STORED WITH PRODUCTS THAT DO.**
- Not for human consumption
- Not recommended for domestic (caged) birds
- Store in a sealed bag or container in a cool, dry place
